Fees and Registration Information

[We look forward to seeing you at the 14th Annual Summer Institute!](#)

The two-day Summer Institute (July 17–18, 2017) is intended for new and veteran college admission and counseling professionals, with a lineup of sessions that will be of interest to both sides of the desk. Join us for optional college tours of Hollins University the evening of July 18 and tours of Radford University and Virginia Tech on July 19 following the Institute.

Using a personalized setting, the PCACAC Summer Institute is uniquely designed to provide professional development, networking opportunities, training, and leadership growth for professionals who assist students in the transition from high school to college. Your participation furthers our mission to support and advance college admission professionals like yourself as you guide your institution, students, and families in an ethical manner.

Summer Institute programming on July 17 & 18 will take place on campus. Find directions to campus at www.roanoke.edu/about/visit/maps_and_directions or use the following address:

Sleeping rooms are on campus and are typically single occupancy (can be shared) with one bathroom for every two rooms. Participants will be responsible for keys and access cards while on campus. The Summer Institute is based on the philosophy that staying overnight with the other members of the community is beneficial to the overall camaraderie of the experience. **Linens are included.**

DRESS CODE

Dress code is business casual. Nice shorts and jeans are appropriate, as well as polo shirts, khakis, casual blouses and summer dresses. Be sure to wear comfortable shoes for the walking campus tour on Monday. Dinner Monday night is plated and jeans or shorts are not recommended.
